By volunteering with the One Love Pet Adoptions I understand that there are certain risks associated with being in close contact with animals. These pets for adoption come from many sources, and their personalities and behavior in a pet adoption environment cannot be predicted or guaranteed. By signing here I state that I understand these risks and will use due caution, and ask for any needed assistance. I also state that I have received, read, and understood all of the guidelines, policies and will follow all of the shelter's guidelines. I also understand that if I do not follow the policies I can lose my privilege to volunteer. I certify that I am 18 years or older.
